About S.V. University

Sri Venkateswara University (SVU), located in Tirupati, is a prestigious institution with NAAC A+ accreditation. Established in 1954, it offers a wide range of programmes across disciplines like science, engineering, humanities, and management. SVU emphasises research, innovation, and academic excellence, fostering a collaborative environment for students and faculty. The university's focus is on developing skilled professionals through quality education and real-world application, positioning itself as a leader in higher education in India.

About Exafluence Inc.

Exafluence is a leading data analytics company that focuses on empowering organisations to stay ahead of the curve in their respective industries. With a global presence, Exf has established itself as an innovative leader in various industries, including healthcare and pharma, banking and financial services, consumer products and retail, telecom, Industry 4.0, and others.

About Exafluence Education

As a division of Exafluence Inc., USA, Exfedu's primary objective is to bridge the gap between academia and industry, addressing the growing demand for skilled data science professionals. Our programmes integrate real-world domain expertise into the curriculum, enabling students to gain hands-on, practical knowledge essential for today's data-driven careers and empowering them to elevate their skills for rewarding career paths.

S.V.University Exfedu- Learning Approach

SV University, in collaboration with Exafluence Inc., USA, has launched a cutting-edge M.S. programme in Data Science. The programme covers key topics, including data analysis, machine learning, data visualisation, and big data management, and includes hands-on projects and case studies. The programme is offered as a full-time course with options for both offline and online study. Additionally, S.V. University and Exafluence offer industry orientated certification programmes in data science and provide valuable skills for today's technology-driven world.

100% Education Loan Through State Bank of India (SBI)

No Processing Fee & No Margins *Terms & Conditions Apply

M.S.Data Science - Duration 2 yrs

Highlights of MSDS

- Best Campus & Classroom Infrastructure
- Virtual Live Interactive Learning
- Industry relevant curriculum
